(REPLY ON U.O.NO.A.F.89/56 DT.29-5-56)

RETRANSMITTED:-

Kind reference is invited to this office letter No.Ml-86-611/55 dated 22-10-1955 (copy enclosed) wherein the release of 65-1 acres of land from Ratnagiri Hill Reserve to the Chickmaglur Municipality for the formation of a health ~~reserve~~ resort is already recommended. Orders of Government in this behalf are yet awaited.

The U.O.File accompanies.

20) There are two aspects of this question: (a) the dis-afforestation of 65 acres of land included in the Ratnagiri hill reserve, (b) the grant of this land to Chikamangalur Municipality. With regard to (a), as the Forest Department does not require land, there would be no objection to dis-afforestation proceedings, at the end of which the land will be surrendered to the Revenue Dept.

FINANCIAL SECRETARY GOVT. OF MYSORE 22 JAN 1957 U.O. No. 4167/5 Ft.

21) With regard to (b), however, there is not sufficient information on these papers. To begin with, the request of the Municipality is not included amongst these papers. It is not clear what the Municipality proposes to do with this land and what is the nature of the hill ~~reserve~~ resort which is to be created. In the minute of the Minister for Public Health and Local Self Government, it is suggested that a loan or grant to improve the area and lay out a park there may be given. F.D. would, therefore, be grateful if detailed information is obtained about the nature of the scheme to be undertaken by the Municipal Council, and whether any further Government aid will be asked for. Furthermore, we would like to know the value of the land which is proposed to be given.

12) Subd for perusal. The area under question has not been included for release in connection with the release of forest lands in malnad region (vide G.O. d. 19-10-56 placed below). Hence the question of release of 65- 1 acres of land from Ratnagiri Hill Reserve to the Chickmagalur Municipality for the formation of a health resort has to be considered ~~and~~ now.

13) The area of 65 acres and 1 gunta is required by the Chickmagalur Municipality for the formation of a health resort. The land is included in the Ratnagiri Hill Reserve. The CCF has recommended that in view of the fact that the small area of 65-1 acres abutting the Town is not quite useful for forest purposes and that ~~xx~~ it is desired for a public welfare purpose and demanded by the Municipality, the 65-1 acre land may be granted to the Municipality for the purpose. Perhaps the recommendation of the CCF may be approved. Subd for kind orders.

Sub: Surrender of Ratnagiri Hill Reserve near Chickmaglur Town to the Municipality.

.....

I enclose herewith copies of letter No.M.31-436/55-56 dated 27-9-1955 of the Conservator of Forests, Shimoga and those of its enclosures and state that the Town Municipal Council, Chickmaglur wants the release of the reserve for the formation of a health resort.

The reserve was constituted as such as per G.O. No.G.3488/Ft-89-38-2 dated 20-10-1938. The District Forest Officer, has reported that attempts to afforest have not been ~~suff~~ successful owing to the difficulty in protecting the area from cattle.

In view of the fact that the small area of 65-1 acres abutting the Town is not quite useful for forest purposes and that it is desired for a public welfare purpose and demanded by the Municipality, I am of opinion that the request may be granted by Government. On receipt of orders of Government, formal disreservation proposals will be submitted for notification.

C R D E R No. A.F. 7927-31/Ft. 1-56-7,

Bangalore, Dated the 19th October 1956.

There have been repeated representations from the landless for making available for cultivation lands from the forests in the State. Government having taken into account the increasing pressure on land as also as a measure of alleviating unemployment and to step up food production, directed the Deputy Commissioners, Shimoga, Hassan, Mysore and Chickmagalur Districts to examine the question of release of forest lands in Malnad region of the State in consultation with the District Forest Officers of the respective Districts and send up their proposals to the Revenue Commissioner. Accordingly the concerned Deputy Commissioners and the District Forest Officers having inspected some of the forest areas sent up proposals to the Revenue Commissioner who in turn, after consultation with the Chief Conservator of Forests has requested orders of Government for the release of the forest lands as per statement appended.

Having carefully considered the joint recommendation of the Revenue Commissioner and the Chief Conservator of Forests, Government are pleased to accord sanction to the release of 4126 acres and 29 guntas of land from the Forest Department as per statement enclosed.

The Chief Conservator of Forests is requested to take necessary action to surrender the lands to Revenue Department and send up disafforestation notification for orders.

The above said block is situated about half a mile from Chikmagalur Town. It is a Reserve as per G.O.No.8 3488/Ft.89-32-2 dated 20-10-38. It consists of two Survey Numbers of Ramanalli Village Kasaba Hobli. S.No.152, 34-31 & 153,30-10 acres total 65-1 acres. The area is mostly hilly and it is very difficult to prevent it from cattle tresspass due to its proximity to the neighbouring villages. Year after year, planting of casuarina and other fuel species is being tried and this year also the High School Students of Chikmagalur have done pit sowings eucalyptus etc. in an area of about an acre. Even this I am afraid may not come up successfully owing to the fact that this area is being constantly tresspassed and grazed by the graziers.

In the above circumstances, I am of opinion that this area may be given away for its better management otherwise.

Solicit kind orders in the matter.

With reference to your letter No.A3.PR.50.C.110/55-56 dated 29-7-55 requesting to forward the resolution of the Municipal Council in this behalf, I write to enclose herein a copy of the resolution of the Municipal Council dated 14-4-55 and to state as follows:-

The Municipal Council have resolved that Ratnagiri Bore has to be made a public resort as it is one of the best place fitted for the purpose and request the Government to give the entire area to the Municipality free of cost and later it is proposed to form regular road to the Hillock and to improve the existing temple there.

In this connection, I learn that S.No.152 and 153 of Ramanalli village measuring 34-31 guntas and 30-10 guntas respectively are required for this purpose. In view of the importance of this place and the public urge to have it as a health resort, it is absolutely necessary to have the entire area under the control of the Municipality which will in turn facilitate this office to take up regular formation of roads, improvement of the existing temple and formation of a park.

Therefore I request you to kindly move the Government to hand over the above S.Nos. to Municipality to take further action.

Early orders are solicited in the behalf.

I enclose herewith copies of letter No.M.31-436-55-56 dated 27-9-55 of the Conservator of Forests, Shimoga and those of its enclosures and state that the Town Municipal Council, Chickmagalur wants the release of the reserve for the formation of a health resort.

The Reserve was constituted as such as per G.O. No.G 3488/Ft. 89-38-2 dated 20-10-1938. The Divisional Forest Officer, has reported that attempts to afforest have not been successful owing to the difficulty in protecting the area from cattle.

In view of the fact that the small area of 65-1 acres abutting to Town is not quite useful for forest purposes and that it is desired for a public welfare purpose and demanded by the Municipality, I am of opinion that the request may be granted by Government. On receipt of order of Government formal dis-reservation proposals will be submitted for notification.
